BOOK SYNOPSIS

Everybody speaks emoji, but with this book, Cakemoji, we can now all eat emoji too. Over 50% of all sentences currently posted on Instagram contain an emoji; it is the world's fastest growing language with the visual icons set to become the lead characters in an animated movie currently in production at Sony Pictures. We all have our favorite emojis that can now be brought to life in cake or cookie form. With clear instructions for the basic recipes and techniques and full step-by-step photographs to guide you through the cake and cookie decorating methods, this fun recipe book will soon have everybody pulling a slurpy face. But once you have learnt how to make the classic crying-laughing face emoji as a fondant-covered sponge or as an iced cookie, you can create almost any emoji you fancy.

CAKEMOJI - Are you looking for Ebook Cakemoji? You will be glad to know that right now Cakemoji is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.
