## BOOK SYNOPSIS

From New York Times Bestsellers, Penelope Ward & Vi Keeland, comes a sexy new standalone novel. He was someone who belonged in my wildest fantasies instead of a rest stop in the middle of Nebraska. A sexy, cocky, Australian named Chance was the last person I expected to run into on my cross-country drive. When my car broke down, we made a deal. Next thing I knew, we were traveling together, spending sexually-tense nights in hotels and taking unplanned detours. My ordinary road trip turned into the adventure of a lifetime. It was all fun and games until things got intense. I wanted him, but Chance wouldn't make a move. I thought he wanted me too, but something was holding him back. I wasn't supposed to fall for the cocky bastard, especially when I knew we'd be going our separate ways. All good things must come to an end, right? Except our ending was one I didn't see coming.

**COCKY BASTARD** - Are you looking for Ebook Cocky Bastard? You will be glad to know that right now Cocky Bastard is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.
