BOOK SYNOPSIS

When hes apprised at the last minute of a mandatory meeting abroad, Stone Barrington rushes off to Europe for a whirlwind tour of business and, of course, pleasure. But from the start the trip seems to be cursed, plagued by suspicious accidents and unfortunate events, and some of Stones plans go up in flames-literally. Not a believer in coincidence, Stone sets out to learn the true source of his curious misfortune and finds that what appeared to be bad luck may, in fact, have been a warning.
