BOOK SYNOPSIS

Nurse Lauren Barclay put her life on hold to keep a watchful eye on her troubled sister. It's why she's back in Houston. But that means confronting the brooding physician assistant who caused painful turmoil in her family—and left Lauren with memories her heart can't forget. PA and single parent Elijah Landry is no stranger to stormy relationships, including one with his father, who is threatening him with a restraining order. It won't stop Eli from protecting his disabled brother—or from making peace with Lauren. He wants that and so much more. But as Lauren and Eli draw closer, a powerful hurricane roars toward Houston. Survival instincts take priority and everything changes. Can hope weather the storm?
