BOOK SYNOPSIS

Last updated Nov 19, 2015. We regularly make updates to the content. The most current version is only available directly from Amazon, Barnes & Noble and Sterling Test Prep. This book provides a thorough and curriculum-oriented review of all three periods of U.S. History with five focus areas as per the College Boards most current SAT U.S. History test content outline. The content is divided into three historical periods and is centered around five focus areas: political history, economic history, social history, intellectual and cultural history, and foreign policy. The information is presented in a clear and easy to understand style. You can study one focus area of one historical period at a time to fully comprehend and internalize important historical relationships.
